ON AUGUST 26th 2003, I ARRIVED AT WORK TO FIND THE PERSON I WORK WITH WAS SICK AND WOULDN'T BE COMING IN. I CALLED ANOTHER EMPLOYEE, MIKE, WHO SAID HE WOULD BE IN AS SOON AS HE COULD. I PROCEEDED TO FUEL THE BOAT AND WAS PREPARING TO LAUNCH IT AT THE KIRK PER, WHEN JEANNETTE ARRIVED.

JEANNETTE NORMALLY DOES NOT WORK WITH THE BOAT OR SKI'S, BUT, BECAUSE NO ONE ELSE WAS THERE I ASKED HER TO ASSIST ME IN LAUNCHING THE BOAT.

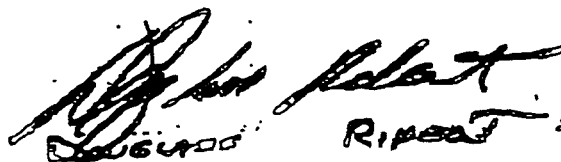

I HANDED HER THE COIL AND STERN LINE AND ASKED HER TO WALK THE BOAT OFF THE TRAILER AS I BACKED IT DOWN, I TURNED TO GET BACK IN THE TRUCK AND HEARD HER FALL RIGHT BEHIND ME. WE WERE STANDING ON THE RAMP 3'-6" FROM THE WATER'S EDGE, THE RAMP WAS VERY SLIPPERY. THE ALGAE HAVING NOT BEEN CLEARED FOR MANY MONTHS
